

TA Triumph-Adler 2506ci

Outstanding 25-ppm Colour Copier MFP

The TA Triumph-Adler 2506ci, chosen by BLI analysts as the winner of a Summer 2017 Pick award for “Outstanding 25-ppm Colour Copier MFP,” offers...

- Maximized uptime thanks to excellent reliability and higher-than-average paper capacity
- Seamless integration with specialized and embedded applications via TA Triumph-Adler’s JAWS Platform
- High quality printed and copied output that will meet the needs of both general office and marketing-intensive environments
- Repurposable black toner bottles that can be used as waste toner containers

“The TA Triumph-Adler 2506ci is an excellent value when you consider its low price, productivity enhancing feature set, and seamless integration with core business systems,” said George Mikolay, Associate Director of A3/Production for Keypoint Intelligence - Buyers Lab. “And thanks to support for TA Triumph-Adler’s JAWS platform, businesses can connect with many popular productivity-enhancing and cost-saving solutions. The device is also mobile friendly, enabling Android and iOS users to print to the device from anywhere. Users can streamline scan and copy workflows in their daily tasks with shortcut keys and up to 50 job programs, and leverage the Quick Print tab to create and save custom profiles as graphical icons.”

“With fast scan speeds and higher-than-average RAM and hard drive capacity, plus flawless reliability and a higher-than-average paper capacity, the device is equipped to minimize downtime and keep workers productive,” said Joe Ellerman, U.S. Manager of Lab Operations for Keypoint Intelligence - Buyers Lab. “The TA Triumph-Adler 2506ci also delivers affordable, high quality output that mid-size workgroups can rely on to get the job done.”

About **Keypoint Intelligence - Buyers Lab**

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

About **Buyers Lab Pick Awards**

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
