

TA Triumph-Adler 5006ci

Outstanding 50-ppm Colour Copier MFP

The TA Triumph-Adler 5006ci, chosen by BLI analysts as the winner of a Summer 2017 Pick award for "Outstanding 50-ppm Colour Copier MFP," offers...

- Maximized uptime thanks to excellent reliability and higher-than-average paper capacity
- Excellent value given its low price, robust feature set, and performance
- Seamless integration with productivity-enhancing, cost-saving, and security-boosting solutions and embedded applications
- Repurposable black toner bottles help save storage space and reduce waste
- Mobile support via Wi-Fi Direct and NFC, plus support for Apple AirPrint, Google Cloud Print, and TA Triumph-Adler Mobile Print

"The TA Triumph-Adler 5006ci is an excellent value when you consider its low cost, seamless integration with core business systems, and productivity-enhancing feature set," said George Mikolay, Associate Director of A3/Production for Keypoint Intelligence - Buyers Lab. "Thanks to support for TA Triumph-Adler's JAWS platform, businesses can support many popular productivity-enhancing and cost-saving solutions from the unit. The 5006ci is also mobile friendly, enabling Android and iOS users to print to the device from anywhere. In addition to fast scan speeds and higher-than-average memory for faster processing, users can leverage the Quick Print tab to create and save custom profiles as graphical icons in the driver, or program and store shortcuts and up to 50 job programs from the intuitive scan and copy interfaces, all of which aid in boosting worker productivity."

"The TA Triumph-Adler 5006ci was a workhorse during testing," said Joe Ellerman, U.S. Manager of Lab Operations for Keypoint Intelligence - Buyers Lab. "It completed BLI's 225,000-impression, 22,500-scan durability test without a single misfeed or malfunction. Throw in a larger than average maximum paper capacity and simple toner replacement, and you have a reliable imaging solution that will maximize the uptime of workforces day in and day out."

About Keypoint Intelligence - Buyers Lab

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

About Buyers Lab Pick Awards

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
