

## TA Triumph-Adler 7006ci

Outstanding 65- to 70-ppm Colour Copier MFP

The TA Triumph-Adler 7006ci, chosen by BLI analysts as the winner of a Summer 2017 Pick award for “Outstanding 65- to 70-ppm Colour Copier MFP,” offers...

- Exceptional reliability, having produced 400,000 impressions and 40,000 scans with no misfeeds recorded and no service required
- Excellent value given its low price, very good overall performance, and robust feature set
- High quality and consistent output to meet the needs of multiple environments
- Outstanding operability with the ability to create custom profiles in the drivers and shortcut keys and job programs to streamline scan and copy workflows
- High-quality, consistent output that will meet the needs of both general office and marketing-intensive environments

“Users can easily streamline their daily workflows for print, scan, and copy jobs thanks to the TA Triumph-Adler 7006ci’s Quick Print tab, which enables users to create and save custom profiles as graphical icons in the driver, as well as support for the storage of shortcut keys and up to 50 job programs from the intuitive scan and copy user interfaces,” said George Mikolay, Associate Director of A3/Production for Keypoint Intelligence - Buyers Lab. “Plus, mobile printing support for both Android and Apple devices allows for remote, on-the-go connectivity. Throw in TA Triumph-Adler’s JAWS platform to connect to specialized and embedded applications, a very low price point, and a robust feature set and you have a value proposition that sets the bar among its peers.”

“The TA Triumph-Adler 7006ci combines excellent reliability with clean, on-the-fly toner replacement and above-average paper capacities,” said Joe Ellerman, U.S. Manager of Lab Operations for Keypoint Intelligence - Buyers Lab. “When you also consider the device’s impressive, consistent output, fast scan speeds, and higher-than-average memory for faster processing, mid- to large-size workgroups can rest assured that their jobs will be output quickly, reliably, and at a high-quality level day in and day out.”

## About Keypoint Intelligence - Buyers Lab

---

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

## About Buyers Lab Pick Awards

---

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
