

## TA Triumph-Adler 8006ci

Outstanding 70- to 80-ppm Colour Copier MFP

The TA Triumph-Adler 8006ci, chosen by BLI analysts as the winner of a Summer 2017 Pick award for “Outstanding 70- to 80-ppm Colour Copier MFP,” offers...

- Outstanding uptime thanks to flawless reliability
- Fast short- and long-run job speeds in black to boost productivity
- Excellent value given its low price, very good overall performance, and robust feature set
- High-quality, consistent output to meet the needs of multiple environments

“The TA Triumph-Adler 8006ci offers fast short- and long-run job speeds in black,” said Joe Ellerman, U.S. Manager of Lab Operations for Keypoint Intelligence - Buyers Lab. “When you also consider the device’s outstanding reliability, impressive, consistent output, fast scan speeds, and higher-than-average memory for faster processing, mid- to large-size workgroups can rest assured that their jobs will be output quickly, reliably, and at a high-quality level day in and day out.”

“Users can streamline scan and copy workflows with shortcut keys and up to 50 job programs, or leverage the Quick Print tab to create scan profiles as graphical icons to streamline frequently recurring tasks,” said George Mikolay, Associate Director of A3/Production for Keypoint Intelligence - Buyers Lab. “And thanks to support for TA Triumph-Adler’s JAWS platform, businesses can leverage embedded and integrated solutions to reduce costs and boost security and user productivity. The device also supports mobile printing via Wi-Fi Connect, NFC, Apple AirPrint, Google Cloud Print, and TA Triumph-Adler Mobile Print to accommodate on-the-go and BYOD-centric workers.”

## About Keypoint Intelligence - Buyers Lab

---

Keypoint Intelligence is a one-stop shop for the digital imaging industry. With our unparalleled tools and unmatched depth of knowledge, we cut through the noise of data to offer clients the unbiased insights and responsive tools they need in those mission-critical moments that define their products and empower their sales.

For over 50 years, Buyers Lab has been the global document imaging industry's resource for unbiased and reliable information, test data, and competitive selling tools. What started out as a consumer-based publication about office equipment has become an all-encompassing industry resource. In a landscape that's ever evolving, we change with it.

## About Buyers Lab Pick Awards

---

Buyers Lab Picks stand alone in the industry and are hard-earned awards as they are based on rigorous testing, including an extensive durability assessment and evaluation of key attributes such as usability, image quality, and value. Each product that passes our lab test earns Buyers Lab's Recommended or Highly Recommended seal and our Certificate of Reliability, with the best performers qualifying as Pick contenders.
